3P Ravin's Royal Texi combines the genetics of Delta Lucky Ace and TCC Houdini for a knockout in body conformation, milking, size, and horn. Texi is going to be one to watch. She's been our largest heifer born this Spring with the most early horn growth, out of our over 70" TTT 3 year old paint, Ravin and our herd sire TKR Royal "T". Her genetics are stacked with TCC Houdini on the top going back to RHF Sharpshooter and HR Rio
